

## ARTESSO™

# FORGED. REFINED. REMARKABLE.

*an industrial evolution.*

The artisan tradition has never been more alluring. Tracing its visual inspiration to factories of the early 20th century, the Artesso kitchen collection by Brizo® is a warmer, more refined take on the industrial aesthetic. An array of innovations, including a unique articulating architecture, MagneDock® Technology and optional SmartTouch® Technology, makes the Artesso collection's functionality every bit the equal of its form.

SmartTouch® Technology

### SmartTouch® Technology:

SmartTouch Technology changes the way you interact with water. Simply touch anywhere on the faucet body or handle to turn the water on or off.

- Feature knows the difference between a grasp and a tap
- Integrated TempID™ Technology uses an LED light that changes color as water temperature changes
- Built-in water flow time-out feature conserves water by stopping the flow after extended period of use
