

## SOLNA® COLLECTION

**SLEEK. STYLISH.  
SCANDINAVIAN.**

*a northern accent.*

Inspired by contemporary Scandinavian furniture, the Solna kitchen collection by Brizo® has crisp lines and a beautifully simple form that delivers the sleekest Brizo kitchen design to date. The classic shape is reimaged in the unique articulating architecture while the pull-down and prep models feature a new, completely “hidden” pull-down spray wand held in place with MagneDock® Technology. Available SmartTouch® Technology activates water flow with a simple touch anywhere on the faucet spout or handle.

SmartTouch® Technology

### SmartTouch® Technology:

SmartTouch Technology changes the way you interact with water. Simply touch anywhere on the faucet body or handle to turn the water on or off.

- Feature knows the difference between a push and a touch
- LED light in the faucet base indicates when feature is active
- Built-in water flow time-out feature conserves water by stopping the flow after extended period of use
