The Baliza® Bath Collection by Brizo® Offers a Fresh Take on Traditional Styling *Inspired by nautical themes, collection brings a fresh perspective to the home*

INDIANAPOLIS – The Baliza® Bath Collection by Brizo® draws inspiration from the timeless beauty of lighthouses and features a unique architecture and simple, elegant lines that result in a stunningly fresh perspective on a warm, traditional feel.

“As the interest in traditionally styled products continues, designers are redesigning and reinterpreting familiar objects in new and fresh ways,” said Judd Lord, Brizo director of industrial design. “Baliza was designed with this purpose in mind. Simple yet elegant, the collection possesses a slightly unique architecture from what has historically been available.”
