**Litze™ Kitchen Collection by Brizo® Molds Modern Sensibility and Artisanal Style**  
*New full kitchen suite delivers versatile shapes and textures*

**INDIANAPOLIS** – Inspired by the revival of the arts and crafts movement, the new Litze™ (*pronounced LEETS-zuh*) Kitchen Collection by Brizo® melds a clean, contemporary sensibility with an artisanal touch. A true testament to shape and form, the collection features a simplistically beautiful bent tube spout rendered in three distinct shapes to complement a variety of design aesthetics.

The versatility of the collection is evident in the three distinct spout options—Arc, Square or Angled—that can be paired with either the Knurled Lever or Industrial Lever handle, offering a range of configurations that are equally at home in modern, minimal environments or more industrial inspired spaces.

“The Litze Kitchen Collection, much like the bath collection, is truly focused on stripping down a faucet to its core shape and adding beautiful details to aid in functionality,” said Jordan Bahler, Brizo lead industrial designer. “Details like the knurling on the wand and handle are ‘touch points,’ effortlessly communicating they weren’t added to be decorative, but rather to provide grip to these areas.”

Removing pure ornamentation is a principle of the 1920s German Bauhaus movement and plays a pivotal part in defining the collection’s personality. Every design detail found within the collection, especially the textured knurling detail, is purposeful and provides functional benefits while celebrating the beauty of craftsmanship.

The Litze Kitchen Collection is a full kitchen suite, including:

- Pull-Down kitchen faucet with two-function spray wand featuring MagneDock® Technology. Available with optional SmartTouch® Technology
- Bridge kitchen faucet with matching side sprayer
- Articulating kitchen faucet with two-function spray wand featuring MagneDock® Technology. Available with optional SmartTouch® Technology
- Single-Handle bar faucet
- Arc, Square and Angled spout options are available on the Pull-Down, Bridge and Bar faucets
- Knurled Lever and Industrial Lever Handle options are available on all kitchen and bar faucets in the collection

Rounding out the suite are coordinating accessories, including wall and deck mount pot fillers, a soap dispenser, an escutcheon plate for three-hole installations and a decorative hole cover.

This is the first Brizo collection to offer the distinctive Matte Black / *Brilliance*® Luxe Gold™ split finish and the first kitchen suite available in the *Brilliance*® Luxe Gold™ finish. The full collection is also available in Polished Chrome, *Brilliance*® Stainless and *Brilliance*® Polished Nickel finishes.

The Litze™ Kitchen Collection by Brizo® is expected to begin shipping in late 2017. For more information about Brizo kitchen and bath products or to locate a dealer, visit [brizo.com](http://brizo.com).

**About the Brizo® Brand**

Brizo is a luxury fittings brand for those who understand that fashion isn't only about the clothes they wear – it's a lifestyle. The Brizo product team designs and crafts distinctive kitchen and bath suites that artfully blend form and function, transforming minds, moods and spaces. This approach has elevated the Brizo brand and its fashion-forward collections, many of which have been recognized by various outlets and organizations, including Design Journal with its Adex Gold™ Award and the Red Dot™ Award. Rooted in fashion and design, the Brizo brand has been a primary sponsor for fashion designer Jason Wu since 2006 and a national sponsor of the St. Jude Dream Home® Giveaway since 2010. Brizo is the luxury brand of fittings and accessories within the portfolio of Delta Faucet Company, a WaterSense® manufacturer partner of the U.S. Environmental Protection Agency.
